**MUST STAY:**

For a purely luxury experience, stay in a Treetop Suite at the **Carmel Valley Ranch**. Located minutes away from Carmel-by-the-Sea, this sprawling 500-acre resort has enough great activities to please everyone in the family. [carmelvalleyranch.com](http://carmelvalleyranch.com)

**MUST BUZZ:**

I've always been scared of bees until I tried **Carmel Valley Ranch's Bee Experience**. Don a beekeeping suit, and get up close and personal with them. See how incredibly intelligent and organized they are—and essentials for our ecosystem. **MUST SPA:**

**The Spa Aiyana at Carmel Valley Ranch** is a must. Book a massage with Jaime—one of the best massages I've ever had. Or try the spa's new Hypno Health and Wellness treatment with Dr. Bee Epstein-Shepherd. [carmelvalleyranch.com/spa/carmel-spa](http://carmelvalleyranch.com/spa/carmel-spa)

**MUST DINE:**

If you fancy a multi-course dinner, have one here. **Aubergine at L'Auberge Carmel, Relais & Châteaux**. The 8-course dinner is a foodie's delight. Since you Uber'd over, pair the delicious menu with their endless selection of wines. Samia thanks **Executive Chef Justin Cogley** for the delightful dinner.
