MEETING EVERY EXPECTATION

Experience Inspirational Gatherings at Revival

When you book your next group event at Revival in Baltimore, you'll be making a difference in someone's life while expanding your philanthropic efforts. Our thoughtfully curated packages ensure that your most meaningful work will happen beyond the meeting room.

GATHER WITH PURPOSE

You donate just by staying.

- Revival will donate 5%* of your group's master account charges to a local charity in need.
- At the end of your gathering, a proper check will be gifted to the charity of your choice.
- We'll make a preferred list of partners for you to choose from before a donation is made.

GROUP FOCUSED, COMMUNITY INSPIRED

Great team building opportunity.

- Together with Business Volunteers Maryland, we'll match your group with an organization that is seeking volunteers during your event.
- We subsidize the transportation costs to and from your volunteer opportunities.
- Business Volunteers Maryland provides a return on investment report at the conclusion of the program and will discuss the details with you personally.
