The right hotel is a cornerstone of an unforgettable vacation. It's the details that stay with you: the pressed Egyptian cotton sheets, the expertly mixed nightcap in the lobby bar, the always-attentive concierge who somehow gets impossible-to-get reservations, the restorative hot-stone massage—en suite, for good measure. Moments like these are what inform the T+L 500—our directory of the most trusted, best-loved hotels as voted by you, our discerning readers, in the World's Best Awards survey.
