CRAIN'S LIST

BEST NEW RESTAURANTS FOR BUSINESS

The dullest mediocrity in the Loop pack people in from noon to 2, while creative, polished restaurants in the West Loop and River North languish nearly empty. Cross the river, people! You will find you like your lunch better if you pay another dollar for a Lyft or walk another block or two. Here are the 10 best spots for a business lunch that opened in 2017. By Graham Meyer and Joanne Trestrail

20 EAST
Tallentilmington, 2011, Doral Plaza
312-642-0079
20 East houses round table, comfortable seating and a little black dress at a menu—simple and straightforward. The interior of the restaurant is narrow and the area resembles the left of a real stone—no more than a few columns. The atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone. Bar-teresting with the atmosphere is rustic, with a wall of stacked, wood-fired ovens and a bar resembling the left of a real stone.
