4. Talbott Hotel

Score: 90.24

Another property new to the list in 2018 is the Talbott Hotel. Similar to the Blackstone, this historic space also recently underwent a complete makeover —think marble-accented bathrooms, champagne-colored metal bed frames, and waterfall showers. Readers love the convenient location in the Gold Coast and rave about the service. “We stayed with the whole family for our first trip to Chicago, and it was one of the best experiences we have ever had together,” said one reader. “The concierge was extremely helpful, and the location was absolutely perfect.”
