

CARMEL VALLEY RANCH

INTIMATE. INCREDIBLE.

WEDDING EXPERIENCES AT THE RANCH

A wedding doesn't have to be big to be momentous—the most intimate events often are the most memorable as well. That's why we created Carmel Valley Ranch micro weddings. These wedding experiences are ideal for couples who wish to celebrate only with the loved ones closest to them, and perfect for those who want every detail handled for them, too.

Each Intimate Wedding encompasses the ceremony and a dinner celebration for up to 12 people, along with a two-night stay for the wedding couple. It's a seamless experience, all for one set price.

CEREMONY

We'll provide:

- One of our spectacular ceremony sites
