

IV. Eagle County Order

A. Isolation and Quarantine Requirements for Symptomatic Persons and Exposures

1. Individuals experiencing Symptoms of COVID-19 must Self-Isolate as defined in Section III(B), above, for a minimum of ten (10) days from the start of Symptoms AND until they are fever free for a minimum of 72 hours (without the use of any fever-reducing medications) AND as long as Symptoms are significantly improving. This includes people that have tested positive, people awaiting their test results, and people who have Symptoms but have not been tested. Individuals experiencing Symptoms should contact a local healthcare provider⁶ for guidance and to schedule COVID-19 testing as quickly as possible.
2. Individuals with a close contact with confirmed COVID-19 disease, or a person who has Symptoms consistent with COVID-19 but who has not been tested, will Self-Quarantine, as defined in Section III(C), above, for 14 days at their place of residence. A close contact is a household member, intimate partner, someone that you may have shared a ⁶ <https://sites.google.com/eaglecounty.us/covidtestingsites> drinking glass or eating utensil with, or someone who has been within six feet of a person that is sick for 10 minutes or longer. For healthcare workers and others responding to the COVID-19 pandemic, ECPHE will provide more specific guidance.
3. Employers do not need to and should not require negative test results or a medical release for anyone that has completed the Self-Isolation requirements in Section (IV)(A)(1), above, or the Self-Quarantine requirements in Section (IV)(A)(2), above, each as applicable.
4. In the event an employee has confirmed COVID-19 disease or has Symptoms but was not tested, employers should not recommend testing for any other employees as a condition of employment.
5. Employers should not otherwise require a negative test result as a condition of employment.

B. Limitations on Public and Private Gatherings for Individuals

1. No more than 50 persons may gather together for any purpose, unless another provision of this Order provides otherwise.
2. All persons gathering in groups of 50 or less must:
 - a. Adhere to social distancing requirements for individuals as set forth in Section (IV)(C), below.
 - b. Adhere to any additional applicable requirements if the gathering is organized by or held at a business or facility.

C. Social Distancing Requirements for Individuals

1. Individuals at greater risk of severe disease from COVID-19 (aged 65 years or older or have chronic lung disease, moderate to severe asthma, serious heart conditions, are immunocompromised, are pregnant, or are otherwise considered at high risk by a licensed healthcare provider) are safer at home. When necessary, extra precautions should be taken when leaving their homes:
 - 7 a. Maintain 6-8 feet of distance from others individuals.
 - b. Wear face coverings while in public.
 - c. Avoid settings with larger numbers of people and keep prolonged interaction with the general public to a minimum.
 - d. Limit gatherings and meet outside when possible.
 - e. Contact your healthcare provider immediately upon onset of Symptoms.
2. To reduce the risk of disease transmission, individuals must:
 - a. Maintain at least a six-foot distance from other individuals.
 - b. Where more than one group is allowed (outdoors only, unless the groups are at a business for which another provision of this Order provides an exception for multiple groups), keep a reasonable and safe distance from other groups of no less than 20 feet.
 - c. Avoid unnecessary physical contact (including hugs, handshakes, or fist bumps).
 - d. Wash hands with soap and water for at least twenty seconds as frequently as possible or use hand sanitizer.
 - e. These social distancing requirements do not apply to interactions among members of the same household.
3. Non-medical, cloth face-coverings for the nose and mouth are strongly recommended for individuals to use in businesses or other facilities or in places where social distancing is required but cannot be adequately maintained.
4. Individuals must comply

with any additional social distancing requirements that businesses or facilities impose for gatherings they organize or for entry into their establishments.

D. Special Provisions for Non-Local Residents visiting Eagle County 1. Any person that is not a Local Resident that travels to or visits Eagle County (a “non-Local Resident”) must be free of any Symptoms consistent with COVID-19 before arrival. 8 2. If any Symptoms consistent with COVID-19 are present in the 10 days prior to arrival in Eagle County, the non-Local Resident must not travel to Eagle County. 3. All non-Local Residents will self-screen for Symptoms each morning during their travel within Eagle County. 4. All non-Local Residents that develop Symptoms consistent with COVID-19 during their travel within Eagle County will: a. Adhere to Self-Isolation requirements in Section (IV)(A)(1) above, even if this prolongs their stay in Eagle County at the traveler’s expense. b. Contact a local healthcare provider⁷ for guidance and to schedule COVID-19 testing as quickly as possible. 5. All non-Local Residents that have been exposed to someone with Symptoms consistent with COVID-19 during their travel will: a. Adhere to the Self-Quarantine requirements in Section (IV)(A)(2) above, even if this prolongs their stay in Eagle County and at the traveler’s expense. b. If Symptoms consistent with COVID-19 develop during the quarantine period, the traveler must follow the requirements outlined in Section (IV)(D)(4) above.
