The 10 Best Rooftop Bars in the U.S.

Fabulous cocktails and sensational views go hand in hand at our favorite hotel rooftop bars around the country.

The Rooftop Bar at Quirk Hotel, Richmond, Virginia

Richmond, Virginia gains major small-big-city cred with the May 2016 opening of this seductive, bi-level, open-air rooftop venue atop the [2016 Hot List](#) spot [Quirk Hotel](#) in downtown's Arts District. Be sure to try the house Quirk Beer, an ice-cold pint of locally brewed Hardywood Cream Ale with sea salt and lime, and toast to the city where canned beer originated way back in 1935.
