

Let us provide seamless transportation for your next trip to Suncadia Resort

Skedaddle Private Routes

With Skedaddle, you'll arrange customized transportation that is perfectly tailored to your needs. Personalize every detail of your route with the tap of a button; from vehicle type to the exact itinerary. Skedaddle allows you to pay in full or split the cost, and our dedicated support will provide excellent service on the day of your trip. Track your route in real-time on our app and let us handle the logistics.

Ready to start your route? Download Skedaddle for iOS or Android, and we'll take transportation off your to-do list.

Pricing

Skedaddle's algorithm provides customers with the most competitive pricing for premium transportation services. We've built relationships with the best providers nationwide, and pass this value along to you. Our price is carefully calculated, competitive and final. Say "goodbye" to highball quotes and endless haggling!

Customizations

Skedaddle's app let's you customize your route with multiple stops, and we know your event may require additional specifications. We're happy to assist with adding vehicles, creating shuttling schedules, or accommodating any other requests. Reach out to hello@letskedaddle.com to discuss additional route features and receive your custom price!
