

TEMPE MISSION PALMS

"A TIMELESS TRADITION
IN THE HEART OF TEMPE."

WELCOME TO TEMPE MISSION PALMS

Intimate, inviting and productive, this is where meetings become something special. With a time-honored tradition of providing exceptional service, our dedicated conference professionals attend to every detail, so you're free to focus on success. Here, our mission is to create the perfect place to meet.

INNOVATION, INSPIRATION AND ENDLESS POSSIBILITIES

Discover an extraordinary meeting environment that draws energy and inspiration from the thriving city that surrounds it. Tempe is a place of academics, artisans and innovative thinkers. In a city that created a lake in the desert, and modern architecture is at home among century-old buildings, bold ideas are always within reach.

30,000 SQUARE FEET: BIG SPACE FOR BIG IDEAS

Whether it's intimate conversation or interaction on a grand scale, our 30,000 square feet of conference space is flexible enough to meet your meeting needs. Ideal for groups of 25 to 500, we can tailor our environment to your specifications. Step into a dedicated meeting environment, where tackable wall surfaces, ergonomic seating and individual climate and lighting controls put a premium on comfort, focus and productivity. Then step out into the open-air courtyard, where continuous service breaks and a touch of Arizona sun will reinvigorate body and mind.

CONNECT, COMMUNICATE AND CAPTIVATE SEAMLESSLY

In today's "always on" business environment, being out of touch, even for a moment, can mean being left behind. That's why we feature a premium IT infrastructure, complete with fiber optic technology, high-speed voice and data connectivity and superior audio/visual services. Not only will your group receive your message loud and clear, it can also be heard instantaneously anywhere in the world if needed. Our experienced, onsite engineers handle all the details and ensure that you are always wired for success. And our full-service business center allows you to stay in touch and informed.

A modern hotel room with a large bed, a desk, and a large window overlooking a green landscape. The room features a large bed with white linens and a dark headboard. A wooden nightstand with a lamp is on the left. A desk with a chair and another lamp is on the right. A large window with sheer curtains provides a view of the outdoors. A piece of art is mounted on the wall above the bed.

COMFORTABLE SURROUNDINGS INSPIRE AND INVIGORATE

The relaxed, contemporary environment of Tempe is perfectly captured by the comfortable surroundings of Tempe Mission Palms. Each of our 303 well-appointed rooms and suites enable you to work, rest and reinvigorate in the way that suits you best. And if the mood strikes you to explore, our expert concierge can arrange golf, dining and endless other activities.

A SINGULAR PLACE OF MULTIPLE TASTES

Like the city that surrounds it, we cater to many tastes, before, during and after the meeting day. Continuous refreshment breaks and scheduled meals feature a variety of healthy choices to keep you energized throughout the day. Three distinctive dining experiences let you indulge fireside, poolside or bedside, while an amazing array of restaurants, pubs and eateries are just steps away, amid the electric atmosphere of The Mill Avenue District.
