

NATIVE AMERICAN THEMED EVENT

The inspiration from the evening comes from a history that Arizona foundation was built upon: The Native American tribes. The Native American culture has long celebrated the natural beauty of the earth. This is emphasized by the surrounding scenery of lush desert mountain scapes, grassy lawn, and vibrant sunsets.

The space will be set with artifacts that are inspired by the Native American culture. Guests can walk amongst large stretched skin Native drums, Kachinas, and Kokopellis. While they wander within their own personal Native American village they will hear the beautiful sounds of a Native American musical trio playing in the background. Guests can interact with real Native American artisans and watch the beautiful story telling through hoop dance, giving them an experience they will never forget.
