

WESTERN CHIC THEMED EVENT

Combining the traditional country Western style of Arizona with touches of rustic chic décor is the perfect way to create a laid back but unforgettable event for your guests. The chic details allow for the event to be dressed up or down making it an ideal choice for a wide variety of occasions from Welcome Receptions to on property Themed Dinners. The theme décor will be made up of rustic and reclaimed items such as old shabby chic doors, hanging mason jars, burlap banners, and vintage like bottles filled with wild flowers. The furniture all has touches of rustic wood which creates a cohesive look even among the more ornate lounge furniture pieces. The string lighting covered in translucent fabric pulls the space together with an elegant touch. Touches of vintage charm can be added to the buffets or dessert tables with a custom chalkboard sign. Your guests will enjoy an evening of elegance in the desert with an overriding ambiance of a simple, warm, and welcoming homestead.
